PROGRESSIVES RETROGRESSING

Attention has been called in the Kentucky Irish American to the persistence of the Evening Post in its efforts to do any attempt of the Democrats to force a change in the management of the local Postoffice by removing the partisan politicians who, having become spoiled by their long tenure of office, never hesitated at any minor matter of a violation of civil service rules or discrimination against any applicant. The local A. P. A. sheet comes forward with the following:

"The Courier-Journal reports a banquet in Louisville, a rally for conference of political leaders in the city of the party in power. Among others the notorious John Whallen spoke. Then came Mr. E. T. Schmidt, who was introduced as 'the next Postmaster of Louisville.' Here is a shameful thing: The Courier-Journal thus reports his speech: 'I don't know very much about the Postoffice or how far my power will extend, but I will promise one thing, and that is that, when I take office, I shall do all in my power for Democrats and the Democratic party.'"

"Think of it; a man who confesses that he knows nothing about the Postoffice or how far his power will extend, but I will promise one thing, and that is that, when I take office, I shall do all in my power for Democrats and the Democratic party."

"The above is simply another attempt to cloud the issue in the case and prevent the removal of the O'Donnell case of the School Board petitions, while other cases of embezzlement and inefficiency have cropped out in the last couple of years, anxious to make all decent citizens anxious for a change. It is a safe bet that Dick Schmidt, not Schmidt, will give more satisfaction to the public at large and fairer treatment to all employees, regardless of creed or politics, and as for the 'notorious Col. Whallen,' as styled by our narrow-minded bigot of the Baptists World, the Louisville public of all creeds owe more to the man who fed and clothed thousands in our severe winter of last year, and raised thousands of dollars for the Salvation Army, than his critic, who might try to emulate Col. Whallen's example from a charity standpoint and obtain some of his notoriety, but it is general knowledge that men of the type of the Baptist World writer confine their efforts to adopting resolutions of sympathy during times of distress or trouble."

The announcements of Dr. Mechling for Coroner and Delos B. Rogers for Police Judge appear in these columns today, subject to action of the Democratic primary, and are now busy campaigning. Dr. Mechling's many followers in local athletic circles are busy in his interests and intend to form a ward and precinct organization. James Duddy has also announced for Constable in the Eleventh and Twelfth wards and is known as Roger Nohaly's protégé, Roger being at the head of his campaign committee."

The efforts of the Herald to arouse any enthusiasm among the Progressive voters of last November are growing feebler daily and few are interested enough to suggest possible nominees. It is presumed that Prof. Ragsdale and the other Progressive leaders will incorporate the legalizing of prize fights in their platform, as the recent fist fight in the committee meeting was the best advertised feature of the Progressives thus far.

CATHOLIC UNIVERSITY.

Its friends throughout the country are pleased to learn that, after its reverses of former years, the Catholic University of America at Washington is again entering upon a period of growth and expansion. Elaborate plans to make the Catholic University one of the great educational centers in the United States, and in fact in the world, were formulated at the recent meeting of the Board of Trustees, which drew to Washington the highest prelates and dignitaries of the Catholic church in this country. In order to avoid delay in carrying out the plans the Board of Trustees unanimously voted that

Monsignor Thomas J. Shahan, Rector of the university, be authorized to prepare a schedule of all the buildings that he thinks the university needs and to carry forth the work on the new structures, which it is estimated will cost more than \$1,000,000. There are now over 1,000 students at the university, and the enrollment is increasing at the rate of 150 each year.

GALA TIME.

**Friendship and Open Meet-
ing of Division 3,
A. O. H.**

Division 3, A. O. H., will next Monday night introduce an innovation in local Hibernian circles at its hall, Eighteenth and Portland avenue. It will be in the nature of a friendship and open meeting, to which all who are eligible to membership in the Ancient Order have been cordially invited. Special invitations have been sent the County Board and the divisions of the Falls Cities, and therefore an unprecedented attendance is anticipated. Division 3 has had a prosperous year, and it is the intention of the officers and members to make of the 1913 record surpass all others. The programme will be an entertainment with vocal and instrumental numbers. Each division will be represented by a speaker, whose talk will be restricted to ten minutes. Division 3 has a reputation for hospitality, and on this occasion there will be an abundance of good things to eat and drink. From what we hear it will be a friendship meeting indeed, and therefore every division should be well represented.

CATHOLIC KNIGHTS

**Will Hold Annual Midsum-
mer Reunion at Phoenix
Hill.**

At a well attended and interesting meeting on Friday night of last week the Central Committee of the Catholic Knights of America decided to hold the annual midsummer reunion at Phoenix Hill Park on Monday, June 16. A number of committees will make the preparations and the 2,000 members in the Falls Cities are promised a big celebration. President Schaldach occupied the chair, and on behalf of Branch 32 invited the central body to the free reception and entertainment to be given at the old St. Vincent de Paul school hall, Shelby and Oak, on Wednesday night, April 23. State President John Score when called upon gave assurance that another branch would be added to the list in Louisville before the end of May. He also spoke of the coming State convention to be held in this city, when a resolution was unanimously passed pledging the hearty support of the Central Committee to the State officers in the entertainment of the delegates and visitors who will then be here. John Kinney, delegate from Jeffersonville, and Peter Dowling, of the Cathedral branch, made interesting talks and submitted suggestions for the national convention that meets next month in Washington, D. C.

APPRECIATION.

**Trinity Council Will Ban-
quet Members of Musi-
cal Club.**

Notwithstanding the success scored at Macaulay's Theater with "Dolly Dollars," there is much activity among the members of Trinity Council, Y. M. I. The meeting Monday night was well attended and thirteen applications were received. President Eckert commended the members for their earnest work and announced that the class for Sunday's initiation would be completed at a meeting called for Friday night. Trinity Council has made an active campaign and will have about sixty candidates for the degrees tomorrow afternoon, which will put it well on the road to the 500 mark. An early adjournment was taken that those present might attend the complimentary dance arranged for the members of the Trinity Y. M. I. Musical Club. While all reports are not in, there is no question of the artistic and financial success of the "Miss Dolly Dollars" production, and to show appreciation thereof the members of the company and the committees that rendered such valuable services will be entertained at a banquet and dance to be given at Trinity Hall on the evening of May 6.

BENEFIT FOR HOSPITAL.

The members of the Sewing Society of St. Mary and Elizabeth Hospital have arranged for what promises to be a most enjoyable euchre and lotto party and reception, to be held at the hospital next Monday and Tuesday, both afternoon and evening of each day, which will be supplemented by light refreshments. To this social entertainment in aid of this great hospital the ladies extend a cordial invitation to all their friends.

JEFFERSONVILLE.

After a long and severe illness Mrs. Mary Garrity, beloved wife of John Garrity, of Jeffersonville, has gone to her eternal rest. During her illness she showed perfect resignation to God's will, and when her call came it was answered with the Christian spirit and fortitude that marked her life. Mrs. Garrity was a native of County Galway, Ireland, but for

over forty years had been a resident of Jeffersonville, where she was widely known and respected. Mrs. Garrity is survived by her husband, two sons, Michael and James Garrity, and one daughter, Mrs. Nellie Kenney. There is one brother, John Francis, of Edwardsville, Ill., and a cousin, Michael Francis, of this city. During her long residence in Jeffersonville Mrs. Garrity was an active member of St. Augustine's church, from where her funeral was held Wednesday morning. Rev. John O'Connell officiating at the solemn obsequies.

RARE TREAT.

**Lecture and Musicales Sun-
day Night at Wind-
thorst Hall.**

A rare treat is in store for those who will visit Windthorst Hall, Floyd and Magnolia, tomorrow night to hear the Rev. Father Francis Caselli, S. J., Vice President of St. Xavier's College, Cincinnati, who comes to Louisville at the invitation of the Rev. Oscar P. Ackermann, pastor of St. Philip Neri's church. Father Caselli, who is a native of this city, and a noted lecturer, will take for his subject "Social Problems," in the study of which the greatest minds of the country are now engaged. He is a pleasing speaker and is always heard with deep interest. In addition there will be a musical programme with vocal and instrumental numbers by Misses Louise Forst and Gertrude Simpson, Messrs. John McCrocklin and Robert Imelda Shea and David Maloney. (Both Second and Preston street cars can be taken to within a few minutes walk of the hall. Tomorrow morning at 8:15 o'clock there will be a solemn high mass at St. Philip Neri's when Bishop O'Donoghue will administer the sacrament of confirmation.

GOOD WISHES

**Extended County Presi-
dent W. J. Connelly by
Home Division.**

At the meeting of Division 4, A. O. H., last Monday evening in Bertrand Hall, the principal topic discussed in addition to the regular business was the wedding of County President W. J. Connelly, a member of the division, to Miss Mary H. Butler, daughter of ex-State President George J. Butler, the ceremony taking place Wednesday morning. Many of the members being present. In addition to the good wishes expressed the officers of Division 4 were authorized to purchase a wedding present or the occasion, the committee electing a handsome Davenport lounge. William P. Kelly was obligated by President Hennessy and the application of Joseph Hennessy, of Trinity Council; Peter Gander and John E. Stumler, of Unity Council, and George J. Thornton, of Mackin Council. This team has been rehearsing for some time and promises to give the members in attendance, and especially the candidates, some thrilling surprises.

IRISH EUCHE AND DANCE.

Division 2, A. O. H., has completed all arrangements for the Irish euchre and dance to be given next Thursday night in the hall at Thirteenth and Oak streets. The games will begin at 8 o'clock and the numerous handsome awards made will be a feature. There will be Irish music and dances by County Secretary O'Keefe, President Cor Ford, Joe Lynch, John Keane and others, who will trip the light fantastic as in the old days in Ireland. All Hibernians and their friends are cordially invited and may rest assured they will enjoy the evening. As this will be the first Hibernian public social affair of the season, the officers and members of Division 2 will endeavor to make it one that will not be surpassed.

UNITED CATHOLIC WORKS.

Representatives of the fifty-five different societies of the Catholic church in New York City assembled in the Twelfth Regiment Armory last Saturday night to usher into existence the new federation of Catholic charitable organizations to be known as the United Catholic Works. Cardinal Farley gave the movement his official sanction in an address delivered to its leaders and about 4,000 auditors. Cardinal Farley is the President of the new organization and Mrs. Mooney and Lavelle are Vice Presidents. Its work will have to do with day nurseries, fresh air outings, immigrant protection, convalescent homes, social reform work and retreats for laymen.

CANDY PULLING.

The Sacred Heart congregation will have the famous candy pulling and entertainment for the school children of that parish on May 5. This is always a happy day for the little ones and its coming is awaited with interest. Extensive preparations for this year's event are being made by the ladies of the Altar Society, who should be assisted by every member of the parish. There will be an admission fee of ten cents to defray the expenses, and whatever is realized will go to the fund for the excellent school maintained by the Rev. Father Patrick Walsh.

cils of the Falls
Cities.**

Banquet.**

GRAND OFFICERS THE GUESTS

Tomorrow should prove the biggest day in the history of the Young Men's Institute in the three Falls Cities, and crown with success the efforts of the three councils of Louisville and New Albany to bring closer together and uplift the Catholic youth of the country, and the success that will be achieved tomorrow will be equally gratifying to those fathers who are not affiliated as well as their sons who are members. For some time past the three councils have been making special effort to secure candidates for this initiation, each determined to make the best showing, and while no figures are given out there will be at least 100, and the number may reach 150.

The day's programme will open at the Cathedral of the Assumption at 7:45 o'clock with a special high mass, at which the Rev. P. M. J. Rock, the rector, will be the celebrant and preach the sermon. All members of the three councils and candidates to be initiated are expected to attend this mass in a body and approach holy communion. This will be a most edifying sight and very member of the Y. M. I. should be present, thus showing their strength and numbers and opening the way for still greater growth.

In the afternoon the initiatory ceremonies will be held in Mackin Council club house on Twenty-sixth street, beginning at 2 o'clock. The number of applications for membership thus far received would indicate that the class will consist of between 100 and 150 candidates. The degree work will be put on by a special team composed of Daniel J. Hennessy, of Trinity Council; Peter Gander and John E. Stumler, of Unity Council, and George J. Thornton, of Mackin Council. This team has been rehearsing for some time and promises to give the members in attendance, and especially the candidates, some thrilling surprises.

After the initiation special cars will be taken and all proceed to the Seelbach, where an elaborate banquet will be served in the big auditorium, beginning at 6:30 o'clock and for which 300 or more covers will be laid. The committee in charge of this part of the day's celebration promises all who attend the banquet a splendid treat both in the menu and the programme. Supreme President Robert T. Burke will act as toastmaster, and will introduce the speakers, who will respond to the following toasts:

Right Rev. Denis O'Donoghue, Bishop of Louisville, "The Young Men of the Church."
Hon. W. O. Henderson, Mayor of Louisville, "The Nation's Thoroughfare."
Very Rev. James P. Cronin, V. G., "Faith and Fraternity."
P. H. Keefe, of Pittsburgh, Grand President, "Our New Jurisdiction."
C. A. Slinger, of Indianapolis, will be the last speaker unless the hour is not too late for a few impromptu responses.

The Y. M. I. of the country is now composed of two jurisdictions, and this will be the first visit of Grand President Keefe since the Pittsburgh convention of last year. This is truly an organization for the Catholic young men and there should be councils like those in the Falls Cities in every Catholic community in the country. Many fail to realize the influence they wield or the many who have been saved to church and country by membership.

RECENT DEATHS.

Monday morning requiem mass and funeral services were held over the remains of Mrs. Mary Bell Bates in Holy Cross church and were largely attended. Deceased was the beloved wife of Oscar Bates, 927 South Twenty-ninth street, and is survived by six children, for whom there is the most heartfelt sympathy.

The funeral of John Owens, who died Sunday afternoon following a long illness, was held Wednesday morning from St. Patrick's church, of which for many years he had been a faithful communicant. The greater part of his life he had been in the employ of the railroads entering Louisville, and he was a respected member of the Ancient Order of Hibernians and other fraternal societies. Besides his wife two sons survive him.

Claimed by death when life was at its brightest, the death of Casper Hammer last Tuesday afternoon came as a severe shock to his devoted family and business and society associates. He had been a patient sufferer for some time and was fully prepared for the final summons.

Born in Germany fifty-two years ago, he came to Louisville as a boy, and by business ability and honesty won the confidence and respect of the people of this city, who nearly all knew him. Besides his widow, Mrs. Mary Hammer, he leaves three children, Joseph N., Casper Jr. and Miss Katherine Hammer. The funeral was held yesterday from St. Mary's church, of which deceased had been a life-long member.

INTEREST

**Displayed at the Meeting of
Division 1 Tuesday
Night.**

There was a marked increase in the attendance at the meeting of Division 1, A. O. H., and President Tarpy and the other officers felt greatly encouraged. The business was dispatched in order that the division could proceed to the home of John Owens and pay tribute to the memory of one who had been a faithful member of the division. His death claim and sick benefits were allowed and Messrs. Patrick Connors, Thomas Walsh and Anthony Tompkins were named to represent the Ancient Order and act as pallbearers at the funeral Wednesday morning. An invitation was received and accepted and all pledged themselves to be present at the friendship meeting of Division 3 Monday night. Thomas Garry was balloted for and by unanimous vote declared elected a member of Division 1, and with a number of others will receive the degrees at an initiation to be soon held. County Secretary Daniel O'Keefe was a welcome visitor and in a pleasing manner extended the division an invitation to the euchre and dance party to be given next Thursday night by Division 2, which was accepted and many promised to attend. Owing to the death of John Owens the special business was deferred to the next meeting, special notice of which will be sent all members by Secretary Walter Cusick.

WASHINGTON

**Making Great Preparation
For Supreme Council
C. K. of A.**

All arrangements are practically completed for the triennial national convention of the Supreme Council, Catholic Knights of America, which convenes in the national capital on Tuesday, May 13, to which Joseph P. McGinn, of Louisville, and Peter Manion, of Henderson, will be delegates from the Kentucky State Council. The programme arranged by the Washington Knights is an elaborate one, and will open with services in St. Patrick's church. Following the mass one of the Commissioners of the District will welcome delegates and visitors. Two business sessions will be held daily, and at night there will be a theater party and visits to the Congressional library, Bureau of Printing and Engraving and other public places. On Wednesday a pilgrimage will be made to Mount Vernon, where Supreme President Gaudin will place a wreath on the tomb of the immortal Washington. This will be followed by a stop and dinner and shad bake at the popular Potomac river resort, Marshall Hall. The convention will come to a close Saturday, when the Knights will make an automobile trip to the Catholic University and the Franciscan Monastery. The White House and many other public buildings will be visited during the week.

CONNELLY-BUTLER.

The marriage of William J. Connelly, County President of the Ancient Order of Hibernians, and Miss Mary H. Butler, the accomplished daughter of Mr. and Mrs. George J. Butler, was solemnized Wednesday morning with a nuptial mass at St. Cecilia's church. Despite the early hour the church was well filled with friends and well wishers of the worthy couple, who were showered with congratulations. Following the church ceremony the bride party were entertained at a wedding breakfast at the home of the bride's parents, Twenty-first and Portland avenue, after which the happy couple left for an extended honeymoon trip to all the large Eastern cities, to be gone until some time in May.

ACKNOWLEDGEMENT.

The Kentucky Irish American gratefully acknowledges a special invitation to be present at the investiture of the Right Rev. Monsignor F. A. O'Brien, which takes place at St. Augustine's church, Kalamazoo, Mich., on Wednesday morning, May 7. While we may be unable to be there in person, we will be with this good priest in spirit, and in extending our congratulations on his deserved elevation, we wish him many more years of health and usefulness in his holy calling.

FEDERATION.

The regular monthly meeting of the Catholic Federation on Thursday night of last week was not as well attended as had been expected. President Gaudin was unavoidably absent, and David O'Connell presided. Only mere routine business was transacted. Next month the Executive Committee will make its report on the per capita tax question.

THE CHILDREN'S DAY.

Tomorrow will be children's day for the little ones of St. Philip Neri's church. Rev. Father Ackermann, the pastor, will celebrate high mass

at 8 o'clock, when forty boys and girls will have the extreme pleasure of receiving their first holy communion from his hands. For some months past Father Ackermann and the good Sisters have been preparing the class for this happy event, one of the most important in the life of the child and the parish. Bishop O'Donoghue will also be present and administer the sacrament of confirmation.

GAINING.

**Mackin Council Continues
Campaign For More
Members.**

Mackin Council, Y. M. I., is successfully continuing its campaign for new members and is therefore constantly gaining in strength. The meeting Monday night was fairly attended and much routine business was dispatched. President Adams announced three additional applications and four new members were elected, which will swell the class to be initiated tomorrow. Thomas Hodapp and H. K. Blanford, who are on the sick list were reported improving, but the condition of John Buckley remains unchanged. Announcement was made that the next reception dance would take place on Tuesday night, April 29, when the members may invite their friends and relatives. Supreme President Robert T. Burke was present and announced the programme for the joint initiation tomorrow afternoon and the banquet at the Seelbach at night, and it met with hearty approval. The Building Committee made no report, but will be heard from within the next few weeks.

FOR ALL.

**Complimentary Entertain-
ment by Branch 32,
C. K. of A.**

For the entertainment of the Catholic Knights of the city and the people of Germantown Branch 32, C. K. of A., will give a reception and free vaudeville show next Wednesday night in the old St. Vincent de Paul school hall, Shelby and Oak streets. For several weeks committees have been busy making arrangements and preparing the programme, which promises several real surprises. Over 2,000 invitations have been issued and the largest gathering in the history of Branch 32 is looked for. Among those who will be present are the officers of the Kentucky State Council and John Kinney, of Jeffersonville, who will present statistics setting forth the advantages offered those who become members of this great Catholic fraternal insurance society. His programme to be presented by Len Speaker and his assistants will be original and a new departure for gatherings of this kind. After the performance there will be a reception and refreshments.

WISE STEP.

**Dr. Fowler to Make Tour
and Observe Hospital
Methods.**

Dr. J. W. Fowler, Superintendent of the City Hospital, left Tuesday for a two weeks' study of the leading hospitals of the country. Our City Hospital was never so well managed as under the administration of Dr. Fowler, who took with him letters of introduction from Mayor Head and the Board of Safety. Before his departure Dr. Fowler said:

"The object of my trip is to become acquainted with the most advanced mode of conduct of a modern hospital such as Louisville will have when its \$1,000,000 plant is completed and ready for occupancy."

It is the desire of Mayor Head and the Board of Public Safety to make the Louisville City Hospital the finest in the South and second to none in the entire country. Everything will be new—buildings, equipment and methods of management.

ANOTHER VINCENTIAN SOCIETY.

Wednesday evening the men of St. Peter's parish held a special meeting in St. Peter's Hall, Seventeenth and Garland avenue, when preliminary steps were taken for the organization of a St. Vincent de Paul Society Conference. The object of the society is to help the suffering and destitute, and St. Peter's parish furnishes a field for one of the strongest conferences in the city. Father Edmund Kaiser, the pastor, has given the movement his hearty approval.

WALNUT THEATER.

There is no gainsaying the extraordinary popularity of "Mrs. Wiggs of the Cabbage Patch," which returns to the Walnut Theater Sunday afternoon after a triumphant tour of three continents, being shown in every city of any importance in the world. The engagement of this dramatization of the Alice Hegan Rice story is for the entire week with the usual matinees. This homecoming of Mrs. Wiggs, Lovey Mary, Miss Hazy and all the other delightful characters of the story will awaken widespread interest, and there is little doubt that Col. Shaw will realize the biggest week's business of the entire season.

CHARGES THAT ARE ABSURD

Rev. J. M. Lucey, V. G., writing for the Little Rock Southern Guardian, says one of the great puzzles to the editors and patrons of the papers issued by the Guardians of Bigotry is the indifference of Catholics toward their ebullitions. Some years ago an agent for a new fangled farm implement called upon an old farmer in what is now Grant county, Ark., and dilated with flowing eloquence upon the wonderful properties of said implement. Concluding his harangue, he asks, "Now what do you say?" "Well," the old farmer replied, "when a man lies like that, there is no use of saying anything."

The lies which the A. P. A. papers tell about the Catholic church need no reply. They do no harm to the church. Persecution always benefited a good cause, and always brought the persecutors to a downfall. These papers go so far that they disgust even the intelligent and respectable opponents of the church. They indulge in a vulgar abuse that would cause them to be forbidden the use of the mails if the attention of the postal authorities were called to their actions. The Sheridan Headlight, published at Sheridan, Grant county, Ark., is now in the category of what is forbidden to be carried by the United States mails. Its absurd charges against the Catholic church need no refutation. The most unfortunate feature about the paper is the effect of its work upon prospective immigrants. The Headlight openly declares that any Catholics who acknowledge the Pope of Rome as supreme head of their church are not welcome in Grant county and that it speaks with the endorsement of the business men of the town of Sheridan and the County of Grant, Ark. This is the virtual statement of Messrs. R. R. Adams and Britt Adams. These men in their paper, with the apparent approval of the business men of the community, have uttered the most vulgar vilifications against the Catholic church, priesthood and sisterhood. It is their effort to make the situation so difficult that a Catholic church or school can not be erected in Grant county, or if erected shall be burned down. The Messrs. Adams of the Headlight will not permit Catholics to worship God according to the dictates of their own conscience. There shall be no tolerance of Catholics so far as they have power to prevent it. Copies of their paper are being sent to Colorado, Nebraska and other places where Catholic immigrants were discussing the circulars sent out by land agents of Grant and other counties. It is reasonable to suppose that any worthy Catholic immigrants will come to a place where their religious principles are outraged and perhaps their lives placed in jeopardy?

This is a serious matter and should be treated in a serious manner. This is why I stated in a former article that the communities in which these vile papers are published should not be made responsible for their wild ravings unless it was clearly evident that the business men of the community actually endorsed the papers. It was suggested that a committee of the Knights of Columbus and the German State Verein be appointed to investigate the matter and report their findings. I am certain that it would be a pleasure to be able to announce that the business men of Grant county, Ark., take no stock in the unjust attack upon the Catholic religion and Catholic institutions. But priests are constantly receiving letters from prospective Catholic capitalists and immigrants about lands and suitable places for settlement, and in every instance are demanded the advantages of a Catholic church and school. Under present circumstances all that a priest can do about inquiries in respect to Grant county is to forward a copy of the Sheridan Headlight.

HAPPILY WEDDED.

Miss Blanche Beaumont, of Lafayette township, and William J. Martin, of New Albany, were married by the Rev. Father Joseph Sermersheim at St. Mary's-of-the-Knobs church Tuesday morning. They will reside at East Thirteenth and Elm streets. The bride is a daughter of John Beaumont, a former member of the Board of County Commissioners, and the bridegroom is a son of Joseph Martin, of Lafayette township.

GLAD HE IS BACK.

Those having business at the Louisville Postoffice were glad to see Weigher of Mails Thomas Wilson again on duty, after an absence of three months, the result of a fall on an icy pavement. His hip was fractured and for a time fears were entertained for his recovery. Mr. Wilson is a veteran and in his seventy-fifth year.

POPE PIUS.

Up to the hour the Kentucky Irish American went to press the news concerning the condition of Pope Pius X. was conflicting. All this week the Rome dispatches proved most uncertain, first reporting an improvement in the Holy Father's condition, soon followed by others indicating that his case was hopeless. That the Father of Christendom is critically ill can no longer be doubted, as the three American Cardinals have arranged to leave for Rome at a moment's notice. In the meantime the prayers of the Catholic world are being offered for the Pope's recovery.

Dr. Amici again visited the Pontiff Thursday afternoon and found little alteration in his condition since morning. The temperature of the Pope was slightly increased, but as a whole the condition of the patient was stationary. Hope was contained in another dispatch, which tells us the Holy Father himself says he is better. When Dr. Amici visited him at noon Thursday and asked him how he felt the Pontiff replied: "This is the first day since my relapse that I feel generally relieved."

MUST NEED MONEY.

The Baptist Book Concern, located at 650 Fourth avenue, is circulating the following advertisement: "The Priest, The Woman and The Confession," by Father Chiniquy. It is very interesting and gives the dangers of the confessional practiced by the Roman Catholics. Twice has the plates of this book been destroyed by the foe. This book is hated by its enemies because it exposes their dangerous heresies. It should be read by all who desire a more perfect knowledge of the dangerous doctrines of the Catholic church. Order today, \$1.69 postpaid."

The Baptist Book Concern fails to enlighten the prospective buyers on a fuller identity of the author of this sensational work, but the Kentucky Irish American will furnish the following brief description for the benefit of this Christian (?) publishing house, which is depending on the sale of suggestive publications for a livelihood and invites you to have them in the home for the children:

Father Chiniquy was an unfortunate priest, dismissed for immorality, and was taken up by the Presbyterians, who made him a minister, but later dismissed him for embezzlement. He was therefore immoral and a thief, and the above publishing house should offer an apology for its conduct through the Baptist local organs.

WOULD SAVE WOMAN.

"Suffrage or the right to vote and the right to hold office," writes Cardinal Gibbons, "are ambitions that some women have that are really rights of similarity and not of equality. Seeking those so-called rights alienates the feminine spirit from its foreordained and guarded haven—the home. To debar woman from such pursuits as suffrage, or from doing a man's work, or from wearing masculine attire, is not to degrade her. To restrict her field of action to the gentler avocations of life is not to fetter her aspirations after the higher and better. Our President, our statesmen and our judiciary hold the high office of framing or interpreting or executing the laws. But our Christian women, wives and mothers, hold a higher place, for they mould the character of our statesmen and jurists in their childhood and install virtue in their hearts. Our greatest statesmen have loudly and unanimously proclaimed their indebtedness to their mothers."

WILL PASS BILL.

There was little of interest in the cable news this week from London, the smooth political waters being stirred only by the introduction of a bill to abolish plural voting. The present pause in the ferocity of party conflict in the House of Commons over Government measures will probably disappear in a few weeks, when the Government resumes discussion of the Irish and Welsh bills, and especially when Asquith proposes the drastic gullotine closure giving but a few days for their resumed discussion. There is now no doubt of the passage of the home rule bill, the opposition realizing that any obstruction upon their part will prove futile.

We can not improve on this paragraph taken from the Western Watchman, so we reproduce it: "We

offer our condolence to Archbishop Glennon upon the death of his father in Ireland. The world knew little of him; but to have raised such a son was honor enough for any man. May he rest in peace."

Socialism was never known to put a single penny in the pay envelope of the workman. Thus declares Peter W. Collins, who knows the truth of his words. It is also true that Socialism never aided organized labor, but has used every effort to check its progress.

Kansas City has passed a law expelling clairvoyants, palm readers, trance mediums and other persons laying claim to the possession of mystic arts. Such a law should be passed and enforced in all cities.

Democrats should treat the constitution with care. It has stood well, and mutilating it with amendments should be strenuously opposed.

MOTHER.

A Father's Letter to His Daughter For Girls to Read.

"I want to speak to you of your mother. It may be that you have noticed a careworn look upon her face lately. Of course it has not been brought there by any act of yours; still it is your duty to chase it away. I want you to get up tomorrow morning and get the breakfast, and when your mother comes and begins to express surprise, go right up to her and kiss her on the mouth. You can't imagine how it will brighten her dear face. Besides, you owe her a kiss or two. Away back, when you were a little girl, she kissed you when no one else was tempted by your fever-tainted breath and swollen face. You were not so attractive then as you are now. And through those years of childish sunshine and shadows she was always ready to cure, by the magic of a mother's kiss, the little, dirty, chubby hands whenever they were injured in the skirmishes with the rough old world. And then the midnight kisses with which she routed so many bad dreams as she leaned above your pillow have all been on interest these long, long years. Of course she is not so pretty and kissable as you are; but if you had done your share of work during the past ten years the contrast would not be so marked. Her face has more wrinkles than yours, and yet, if you were sick, that face would appear far more beautiful than an angel's as it hovered over you, watching every opportunity to minister to your comfort, and every one of those wrinkles would seem to be bright wavelets of sunshine, chasing each other over the dear old face. She will leave you one of these days. These burdens, if not lifted from her shoulders, will break her down. Those rough, hard hands that have done so many necessary things for

OPENING GAME

Here Next Thursday With Bright Outlook For Strong Team.

The Louisville ball club will begin a three-game series today with Bill Friel's St. Paul aggregation, and Monday night will start for home to obtain a good rest for the opening game here on Thursday with Kansas City, when the Colonels hope to revenge themselves for the three defeats at Kansas City, which showed that the Tebeau crowd at the present time look to be the likeliest contenders for the pennant, they having kept up the good form displayed against the Colonels. With the return of Rudy Hulswitt to the game the Louisville infield should become more inspired with his fighting spirit and generalship, which is the prime factor in the team's lack of success thus far. In addition to his hitting, as it is believed that his leadership and hitting will inspire our young recruits, who have been hitting only in streaks. Next Thursday, with fair weather, promises to be the banner opening day in the history of the local club. The fans and public in general have the utmost confidence in President Wathen's guarantee that he will spare no means or expense in giving us a strong team, and the fans will more than meet him half way by rallying to his support from the outset, encouraging with their hearty support and attendance. The General Council has declared next Thursday a half holiday and Mayor Head is now rehearsing daily with Charlie Foster at the receiving end so that he can put the first ball over the plate.

ORDINATION ANNIVERSARY.

The fortieth anniversary of the ordination of Right Rev. O. B. Corrigan, D. D., Auxiliary Bishop of Baltimore, will be celebrated in June. Great interest is being manifested by the people of the city, who will make the event a notable one.

What the Club Plan Is-- What It Means to You:

The Club Plan is an extended payment plan instituted purely and simply for the convenience of our patrons who wish to buy Household Goods, such as Furniture, Carpets, Rugs, etc.

When you join the Club Plan you are asked to pay 3 per cent. of the amount of your purchases for joining; for instance

The membership fee on a \$25.00 purchase would be 75c.

The membership fee on a \$50.00 purchase would be \$1.50.

The membership fee on greater purchases would of course be in proportion.

You are then asked to pay 10 per cent. of your total purchase as the first payment. For instance, on a \$25.00 purchase you pay \$2.50 down in addition to the membership fee, making a total of \$3.25. The goods are then delivered to you and you arrange to pay the balance in small weekly or monthly payments.

When you consider that goods bought on the Club Plan are purchased at our cash prices--whether special or regular--you will more clearly see that our membership fee is nothing in comparison with the additional cost installment houses place on their goods for the privilege of time payments.

FURNITURE, CARPETS, RUGS, HOUSE FURNISHINGS AND OTHER HOUSEHOLD GOODS ARE SOLD ON THE CLUB PLAN.

Any further information regarding the Club Plan will be cheerfully given by our salespeople or at the Credit office on the fifth floor.

What They Have Been Doing
the Past Week—General
News Notes.

Division 4 keeps up its stride by
adding new members at each meet-
ing.
New York Hibernians are organiz-
ing a promising division at Washing-
ton Heights.

Division 1 calls upon every mem-
ber to be present at the meeting on
the first Tuesday in May.

The Indianapolis County Board
appropriated \$200 for distribution
among the flood sufferers.

With the initiation of new mem-
bers and a grand banquet, Sunday
was a gala day for the auxiliary at
Quincy, Ill.

Committees are visiting the In-
dianapolis divisions and auxiliaries
and arousing interest for the Hiber-
nian hall project.

The division and auxiliary at
Pueblo, Col., turned out Sunday in
full force and received holy com-
munion in a body.

Secretary Walter Cusick was
missed from the meeting Tuesday
night. He is a good officer and his
absence is always felt.

The New York State Board held a
meeting this week at Binghamton.
Reports show the order gaining
strength in the Empire State.

A new division has been organized

The Ladies' Auxiliary at Prov-
idence, R. I., last week voted to raise
a fund for the Western flood sufferers
and made a good start by con-
tributing generously.

The Ladies' Auxiliary has many in-
surance divisions in Minnesota. Re-
cently a number of Secretaries met
in St. Paul to consider the best
method for adding to their numbers.

Members of the order in Jefferson-
ville and New Albany rendered valu-
able assistance in affording relief to
sufferers during the recent flood and
are receiving much praise therefor.

The division and auxiliary of
Washington, Ind., have the Opera
House there for today and tonight
and will give an entertainment and
picture exhibition for the benefit of
St. Simon's day.

Remember the friendship meeting
of Division 3 next Monday night.
This will be a real Hibernian jollif-
ication and should be well attended.
There will be no long speeches, but
the committee promises to be long on
the refreshments and Tarry smokers.

Juvenile Division 1 of St. Paul re-
cently entertained the State and county
officers of our two organiza-
tions and the juvenile divisions of
Minneapolis and St. Paul. National
President Regan, Father Gleason and
others made speeches encouraging
the young folks.

Those who attend the euchre and
dance of Division 2 next Thursday
night at Thirteenth and Oak are as-
sured the time of their life. All
members of the order who possibly
can should attend. The men of
Division 2 have left nothing undone
that would add pleasure to this
occasion.

FRIENDS REJOICE.

Friends of Patrolman William
O'Connell are rejoiced over the
remarkable recovery he is making
from an illness that has lasted for
two years. At times his condition
was most critical, but he is now
gradually gaining weight and
strength and there is a decided im-
provement in his condition.

toric village of Ardmore, Dr. T.

The last three days of this month,

MORGAN MEMORIAL CANDLE.

Press dispatches bring intelligence

wax candle sixteen feet high which

Burned one day a year it would last
three centuries.

WOULD BE UPROAR.

Secretary of State Bryan has been
urged by some ministers of Washing-
ton to establish a "Bryan Bible
class." No one need object; but the
Boston Pilot can not help wondering
what an uproar there would be if
the Catholic church so advertised
itself at the seat of government.
